EXPERIENCE

KRAYS INFOTECH | React JS Developer | July 2022 - Present
Chettikulam, TamilNadu
- **Over 1.3 year of experience** in Development of flexible and user-friendly designs with ReactJS and UI tools like MaterialUI and Bootstrap for functional and class components.
- Developed reusable components and improved app speed by reducing page load time.
- Implemented Redux for state management, better data flow and a consistent user experience.
- Integrated RESTful API for live data, enhancing app dynamic capabilities.
- Utilized Jest for unit testing and high test coverage.
- Debug and resolved complex issues by logic and problem-solving skills, meeting deadlines in advance.
- Taking ownership on task and good client interaction.

PROJECTS
